10 A BILL to amend the Code of West Virginia, 1931, as amended, by
11 adding thereto a new article, designated §18-2L-1, relating to
12 requiring public schools to institute mandatory recycling
13 programs; and money collected from program is retained by the
14 school.

15 *Be it enacted by the Legislature of West Virginia:*

16 That the Code of West Virginia, 1931, as amended, be amended
17 by adding thereto a new article, designated §18-2L-1, to read as
18 follows:

19 **ARTICLE 2L. RECYCLING IN PUBLIC SCHOOLS.**

20 **§18-2L-1. Mandatory recycling in public schools; money collected.**

21 (a) All public schools shall establish and implement aluminum
22 container, glass and paper recycling programs at its facilities.
23 To the extent practicable, programs for other metals, plastics,
24 covered electronic devices, rubber and other recyclable materials
25 may be established and implemented. The moneys collected from the
26 sale of such materials shall be deposited and accounted for in the

1 general budget for each public school.

2 (b) In preparing the recycling plan as required under this
3 subsection, the public school may address methods for the separate
4 collection and recycling of covered electronic devices, including
5 efforts by the public school with manufacturers, recyclers,
6 retailers or other local governments for the collection and
7 recycling of covered electronic devices.

NOTE: The purpose of this bill is to institute mandatory recycling programs; and money collected from program is retained by the school.

This article is new; therefore, it has been completely underscored.
